# Leaders in PPE and Hand Protection

SAFETY PRODUCTS OVERVIEW / CANADA

PIP Canada Ltd.  
[www.pipcanada.ca](http://www.pipcanada.ca)

## A Leading Provider of Innovative Safety Solutions

Each day, we seek to develop, train and provide our customers with innovative PPE that helps keep workers safer, more comfortable and more productive. We work with our distributor partners to deliver best-in-class customer experiences by providing a comprehensive product offering, world-class sales tools and efficient processes.

Our local Canadian manufacturing facilities enable us to provide safety solutions that are tailored to exacting customer needs. These factories work with our team of experienced product managers and specialists to ensure the highest level of product performance and proprietary technologies that are first-to-market.

## PRODUCTS & PROGRAMS THAT SUPPORT YOUR BUSINESS OBJECTIVES

We are committed to bringing to market PPE that meets all applicable safety regulations and/or standards required in Canada, the United States, Europe and Latin America. PPE that you can place your trust in and that provides the best possible comfort, fit, and value.

Bringing you the best doesn't stop there. Our industry-leading customer relationship specialists are dedicated to supporting you on all matters related to technical questions, order resolution, inventory, product sampling, cross-references, and more.

# 3SP™ Training Programs & Digital Tools

3SP™ stands for Simple Safety Solutions. The safety market is constantly evolving. As your partner in the industry, we feel it is our duty to help train our distributor partners by providing impactful programs and tools so you can better address the unique needs of your customers. Our programs simplify the key fundamentals of PPE, including standards, design, materials and applications.

In addition to digital tools, our product specialists offer in-person training at our facilities in Laval, QC and Mississauga, ON. These Certified Specialists can also help you conduct safety surveys in your plant, risk assessment analysis, and presentations. See the courses offered below:

## FALL PROTECTION

- ▶ Basic Training (1h)
- ▶ Advanced Training (4h)
- ▶ Inspection of Lanyard & Harnesses (3h)

## RESPIRATORY PROTECTION

- ▶ Basic Training (1h)
- ▶ Train-The-Trainer (8h)

## HAND PROTECTION

- ▶ Basic Training (1h)
- ▶ Advanced Training (4h)

# Head Protection

Dynamic® offers an extensive line of safety helmets and hard hats that protect workers from falling objects in multiple applications.

- ▶ Certified to meet CSA, ANSI and CE standards
- ▶ Custom logo and full graphic options available
- ▶ Sure-lock adjustment ratchet available for an effortless fit, even when wearing gloves
- ▶ Up to 26 color options available
- ▶ Accessories including cap-lock adapters, miner's lamp bracket, sweat bands, chin straps, and more

Maximum force absorption without sacrificing worker comfort

- ▶ Highly adjustable nylon suspension

## Features Overview

4-point quick-release suspension for a proper fit

Inner padding for added comfort

Accessory slots

Double-layer textile straps for a secure fit

Sure-lock wheel ratchet for an effortless fit

Impact liner helps absorb front, side, or rear impacts

# Eye & Face Protection

CSA approved models designed to help shield your eyes and face from impact, debris, dust, splash, and other potential hazards.

- ▶ Imprinting available on specific styles
- ▶ Many accessories such as cord holders, cases, lens cleaning products and stations
- ▶ High performance headgear, brackets, visors, and welding helmets available

# Hearing Protection

Because hearing loss is gradual, many are unaware of the damage. For that reason, it's critical that hearing protection is used in industrial settings.

- ▶ Corded, uncorded, and metal detectable options
- ▶ Disposable and reusable formats
- ▶ Full headband or cap mounted

Call Customer Service Direct: (450) 687-7374

# Hand Protection

PIP® is committed to developing and providing hand protection products that deliver maximum performance in the harshest conditions and in the widest array of applications including:

- ▶ Cut resistant gloves
- ▶ Chemical resistant gloves
- ▶ Heat resistant gloves
- ▶ Coated seamless knit
- ▶ High performance
- ▶ General purpose
- ▶ Disposable gloves
- ▶ Critical environment
- ▶ And more...

# Welding Safety

Welding is inherently dangerous. Gas, flames, sparks, blinding light – nothing can be left to chance. The key to injury reduction is not just product, it's understanding applications so that the right safety product is used.

Caiman® and Ironcat® welding protection is specifically designed for professional heat shielding, dexterity, tactility and protection demands of all welding and metal fabrication applications.

- ▶ **Stick**  
Heat Protection and Durability
- ▶ **MIG**  
Enhanced Dexterity and Comfort
- ▶ **TIG**  
Extreme Precision and Durability

# Fall Protection

To succeed in this unforgiving category, you need to be cognizant of your ABCDs.

- ▶ **A**nchorage products that provide a secure connection to structures, thus allowing an attachment point
- ▶ **B**ody wear worn by the user, which includes harnesses as well as other personal protective equipment
- ▶ **C**onnecting devices that link the body wear to the anchorage, critical to the system and usually energy absorbing
- ▶ **D**escent and rescue products that form a key component of any rescue plan in order to ensure a timely response
